But a cable car is a first for London, giving visitors to the city another option for crossing the river. Though, of course, they are already spoiled for choice. London has its landmark bridges, plus tunnels and ferries aplenty, so—while we wait for the cable car to be completed—we have been taking a look at London's top five river crossings.

Two road tunnels were built in East London at the end of the 19th century, the Blackwall Tunnel and the Rotherhithe Tunnel; and the latest tunnel is the Dartford Crossing. Many foot crossings were established across the weirs that were built on the non-tidal river, and some of these remained when the locks were built – for example at Benson Lock .
