*Clinic for the Rehabilitation of Wildlife (CROW) is located in Sanibel Island. See Clinic for the Rehabilitation of Wildlife (CROW) and all Sanibel Island has to offer by arranging your trip with our Sanibel Island trip planner.*

## **Visit CROW on Wildlife-Friendly Sanibel | Must Do Visitor ...**

Tue, 11 Jun 2019 10:47:00 GMT

*By: Gillian Birch Thousands of visitors flock to Sanibel Island every year to enjoy the beaches and popular Ding Darling National Wildlife Refuge. Less well-known, but equally important for local wildlife, is the island's Clinic for the Rehabilitation of Wildlife (CROW) which provides medical care and rehabilitation for rescued wildlife.*
